# ESET MULTI-DEVICE SECURITY

Secure All Your Devices

Whether you run a PC, Mac, Linux machine or Android smartphone or tablet, protect them all with ESET's highest level of Internet Security.

Protect your children online

With **ESET Parental Control for Android**, which comes as part of ESET Multi-Device Security and covers an unlimited number of kids' devices, you can help your children manage their online experiences safely – and in a child-friendly way that they will understand.

One convenient licence

A single licence covers all your devices, and protection can be transferred at any time to a new device without the hassle of getting a new licence.
